

Issue Tracker: Student User Guide

1 Introduction

The **Issue Tracker** application helps students report and track campus-related issues. This guide provides step-by-step instructions for students to use the system effectively.

2 User Selection Page

When opening the application, the **User Selection** page appears with two buttons: **Admin** and **Student**. Students should click the **Student** button to proceed.

Figure 1: User Selection Page

3 Student Signup

Students must first sign up by entering their **Name**, **Registration Number**, and **Password**.

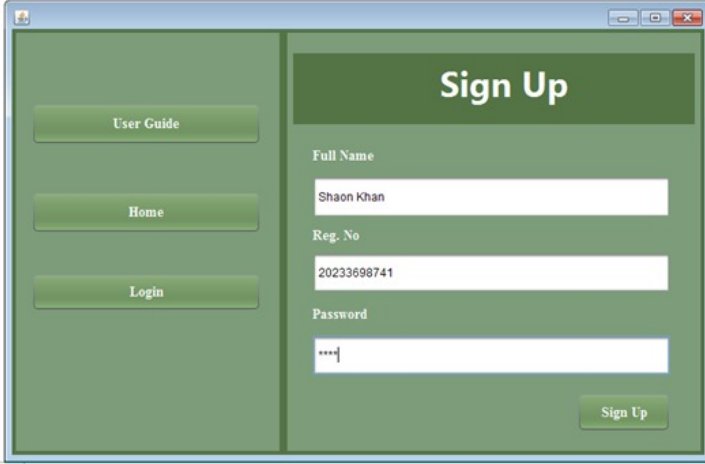

Figure 2: Student Sign Up Page

4 Student Login

After signing up, students can log in using their **Registration Number** and **Password**.

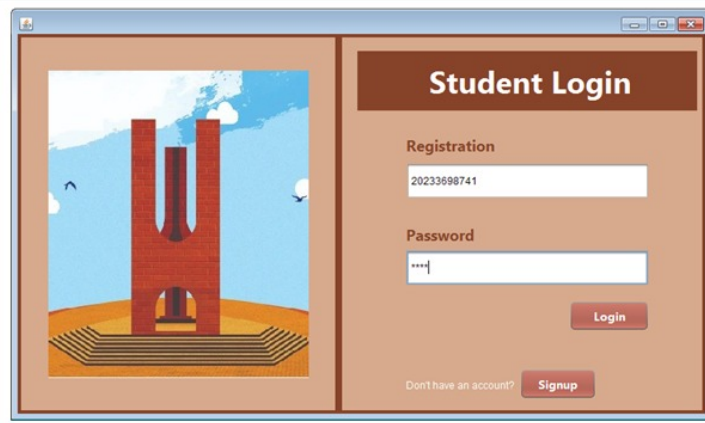

Figure 3: Student Login Page

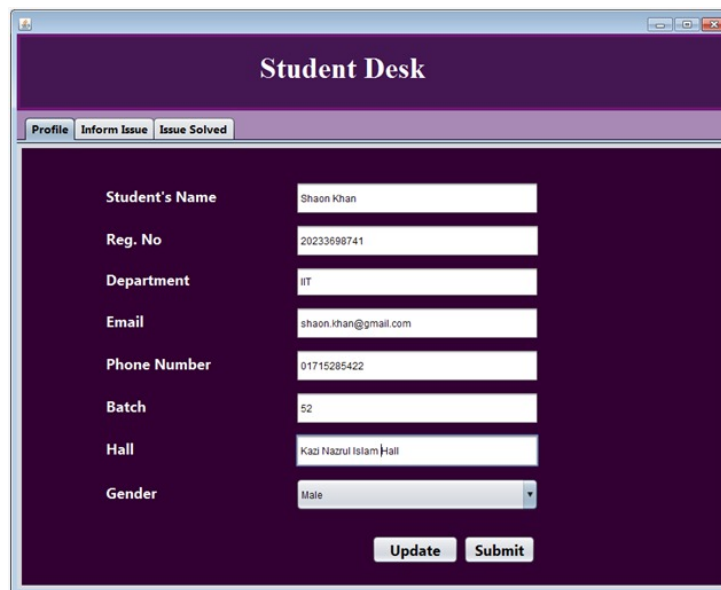

5 Student Desk

After logging in, students are directed to the **Student Desk**, which contains three tabs:

- Profile
- Inform Issue
- Issue Solved

5.1 Profile Tab

Students need to submit their personal information (**Name, Department, Email, Phone, Batch, Hall, Gender**). They can later update all information except their Registration Number.

The screenshot shows a web application window titled "Student Desk". Below the title bar is a navigation bar with three tabs: "Profile", "Inform Issue", and "Issue Solved". The "Profile" tab is currently selected. The main content area displays a form for updating student information. The form fields are as follows:

Field	Value
Student's Name	Shaon Khan
Reg. No	20233698741
Department	IIT
Email	shaon.khan@gmail.com
Phone Number	01715285422
Batch	52
Hall	Kad Nazrul Islam Hall
Gender	Male

At the bottom right of the form, there are two buttons: "Update" and "Submit".

Figure 4: Profile Tab

5.2 Inform Issue Tab

Students can submit issues and view all issues submitted by others.

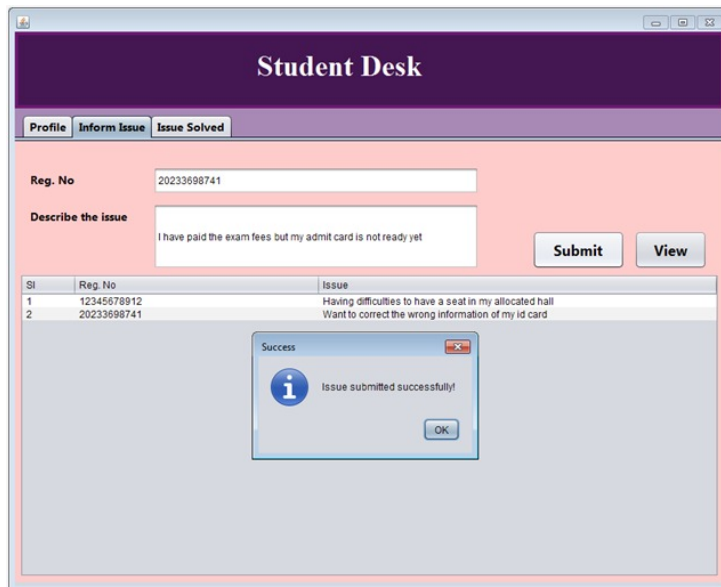

Figure 5: Inform Issue Tab

5.3 Issue Solved Tab

Students can check the status of their submitted issues and view updates from the admin, including resolution details and date.
